

Scholarships – Postgraduate Programmes

- The following scholarships are available to postgraduate programmes' students.

1. Postgraduate Research Scholarship

The “Postgraduate Research Scholarship” aims to attract students with strong academic backgrounds who have an avid interest in refining their research skills. Each year, a total of 15 scholarships @HKD20,000 will be allocated to this category. Awardees are expected to commit 200 hours to research activities as assigned by the Programme Director during their period of study at HKSJU.

Eligibility criteria

- Full-time applicant of taught postgraduate programmes in HKSJU
- Applicants must have achieved a First Class or Second Class (Upper Division) Undergraduate Honours degree or its equivalent
- Applicants must demonstrate that their previous research experiences are commensurate with subject areas recognized by the respective programmes.

Application methods

- To be considered for this scholarship, applicants must make the requisite indication on their application forms.

2. Fellowship for Postgraduate Studies

The “Fellowship for Postgraduate Studies” aims to support outstanding final year undergraduate students in HKSJU to pursue postgraduate studies. Those successfully admitted into local full-time postgraduate programmes may be considered for this category. Each year, 10 scholarships @HKD10,000 will be allocated to this category.

Eligibility criteria

- Final Year undergraduate students in HKSJU successfully admitted into local full-time postgraduate programmes.

Application methods

- Applications are normally open in February and March, and should be made through the Office of Student Affairs.
